

SPIRIT-LED NEWS

PASTOR'S CORNER

Aloha my Brothers and Sisters,

The feast of Our Lady of the Rosary which we will be celebrating tomorrow was instituted to honor Mother Mary for the Christian victory over the Turks at Lepanto on October 7, 1571. Pope St. Pius V and all Christians had prayed the Rosary for victory. The Rosary, or the Psalter of the Blessed Virgin Mary, is one of the best prayers to Mary, the Mother of God.

This feast was instituted by Pope St. Pius V in thanksgiving for the great naval victory over the Turks at the battle of Lepanto on this day in the year 1570, a favor due to the recitation of the Rosary. This victory saved Europe from being overrun by the forces of Islam.

Lepanto, perhaps the most complete victory ever gained over the Ottoman Empire, on October 7, 1571, is commemorated by the invocation "Help of Christians," inserted in the Litany of Loretto. At Belgrade the Turks were defeated on the Feast of Our Lady ad Nives in 1716. A second victory gained that year on the Octave of the Assumption determined Pope Clement XI to command the Feast of the Rosary to be celebrated by the universal Church. Leo XIII added the invocation "Queen of the most Holy Rosary, pray for us," to the Litany of Loretto. The Feast is in reality a great festival of thanksgiving for the signal and countless benefits bestowed on Christendom through the Rosary of our blessed Queen.

In modern times successive popes have urged the faithful to pray the Rosary. It is a form of contemplative prayer, both mental and vocal prayer, which brings upon God's blessing on the Church. It is a biblically inspired prayer which is centered on meditation on the salvific mysteries of Christ in union with Mary, who was so closely associated with her Son in his redeeming activity.

Things that you as a family can do to pray the Rosary as a family:

- Pray the Rosary, or 5 decades of the Rosary tonight with your family. Continue this practice through the month of October, the month that is especially dedicated to the Rosary.
- Read the encyclicals on the Rosary, and the latest apostolic letter.
- Learn the Luminous Mysteries. For families with younger children, it helps to have visual aids for the mysteries. Have a picture to flip at the beginning of each decade for the family Rosary.
- Set a prayerful mood. Before you begin the Rosary, set the mood with Smells and Bells, singing a Marian hymn, or practicing Thirty Seconds of Silence.

BY CATHOLIC STEWARDSHIP CONSULTANTS

Our readings this week speak to each of our domestic churches — the little churches that we call our families.

The First Reading from the book of Genesis takes us to the beginning of creation when God made man and woman. When Adam sees the woman he says, “This one, at last, is bone of my bones and flesh of my flesh; this one shall be called ‘woman.’”

We can almost hear the longing, gratitude, and appreciation in Adam’s voice when he meets Eve as he says, “at last.” She was a gift because she was an equal partner to him.

This was before the fall of man, meaning sin had not entered the world. Adam and Eve only viewed each other in total acceptance and love.

Our Gospel brings us to life after sin had entered the world — a time that is familiar to us. As the Pharisees questioned Jesus about divorce, He expressed that Moses permitted it because of the hardness of man’s heart. However, Jesus was calling them to deeper holiness. He was calling them to restore the original plan God had intended for marriage, “A man shall leave his father and mother and be joined to his wife, and the two shall become one flesh.”

Jesus’ words still apply to us here and now in each of our domestic churches. It is the task of families to tirelessly work to restore God’s original plan for marriage and family life — homes filled with gratitude, acceptance, and love.

It takes a daily commitment to live out our call to holiness to restore our families to this beautiful image.

Aloha!

This month will be dedicated to the importance of Community Helpers. We are hoping to bring awareness to the children that a community is comprised of different people working together. Each community helper and the type of work that he/she does is important to the progress and harmony within the community.

As part of this connection, we will be inviting parents who are willing to come in and speak to the children about their occupations. Please let us know if you are interested. A sign-up sheet will be available in the classroom.

Also, thank you for completing the family project with your child. The children felt very special and proud to talk about their families and reminisce fondly about the previous moments.

On Wednesday, October 30th, we will be going on a field trip to Aloun Farms/Pumpkin Patch. Many thanks to all the parent chaperones who volunteered to help.

As always, thank you for your continued support of St. John's Catholic Preschool.

RESPECT LIFE MONTH STATEMENT

October 2024

Most Reverend Michael F. Burbidge
Chairman, USCCB Committee on Pro-Life Activities

We are living in an exciting time of revival. Our National Eucharistic Congress, and the Eucharistic processions that led to it, involved hundreds of thousands of Catholics who will never be the same. The revival continues, and is so needed, especially in our efforts to defend human life.

Jesus, truly present in the Eucharist, gives us the fullness of life. He calls each of us to respect that gift of life in every human person. While we live in a society that often rejects those who are weak, fragile, or vulnerable, they are the most in need of our care and protection. Pope Francis reminds us that “every child who, rather than being born, is condemned unjustly to being aborted, bears the face of Jesus Christ, bears the face of the Lord, who even before he was born, and then just after birth, experienced the world’s rejection.”¹

The law and millions of our brothers and sisters have yet to recognize this reality. We thankfully no longer live under the regime of *Roe v. Wade*, and our elected officials are now empowered to reduce or end abortion. But what we now see is that fifty years of virtually unlimited abortion has tragically created a national mindset where many Americans have become comfortable with *some* amount of abortion. This allows the abortion industry to continue to provide *any* amount of abortion. Given this challenge, the U.S. bishops have affirmed that, while it is important to address all the ways in which human life is threatened, “abortion remains our pre-eminent priority as it directly attacks our most vulnerable brothers and sisters, destroying more than a million lives each year in our country alone.”²

“We are facing an enormous and dramatic clash between good and evil, death and life...”

In a tragic way, abortion has become the pre-eminent priority for others as well. We see many politicians celebrating the destruction of preborn children, and protecting access to abortion, even up until the moment of birth. Few leaders are standing up to limit the harm of chemical abortion (abortion pills) to mothers and children, which is now the most common form of abortion. And heading into the November elections, as many as ten states face gravely evil ballot initiatives that would enshrine abortion in their state constitutions.

Pope St. John Paul II’s words resonate today: “we are facing an enormous and dramatic clash between good and evil, death and life, the ‘culture of death’ and the ‘culture of life’ ... we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life.”³

And so we need a revival of prayer and action:

- We must renew our commitment to work for the legal protection of every human life, from conception to natural death, and to vote for candidates who will defend the life and dignity of the human person.

- We must call for policies that assist women and their children in need, while also continuing to help mothers in our own communities through local pregnancy help centers and our nationwide, parish-based initiative, [Walking with Moms in Need](#).
- We must likewise continue to extend the hand of compassion to all who are suffering from participation in abortion, through the Church's abortion healing ministries like [Project Rachel Ministry](#).
- Most importantly, we must rededicate ourselves to fervent prayer on behalf of life.

I invite all Catholics to join me in a concerted effort of prayer between now and our national elections, by daily praying our Respect Life Month "Prayer for Life to Jesus in the Blessed Sacrament":

Jesus, you came that we might have life—and have it in abundance. Together with the Father and the Holy Spirit, you form us in our mothers' wombs and call us to love you for all eternity. As your most precious gift of human life is attacked, draw us ever closer to your Real Presence in the Eucharist. Dispel the darkness of the culture of death, for you are the light that shines in the darkness, and the darkness cannot overcome it. By the power of your Eucharistic Presence, help us to defend the life of every human person at every stage. Transform our hearts to protect and cherish all whose lives are most vulnerable. For you are God, forever and ever. Amen.

Through the graces of this revival, may we witness, work, and vote so that all children in the womb will be protected in law and welcomed in love, and that all mothers and families will be strengthened by our support and accompaniment.
